

Artists Mentoring Against Racism, Drugs, and Violence Summer Camp is looking for Camp Counselors to work this summer to assist local youth ages 10-16 as they engage in art-making as a means of solving problems and building identity and community. The Collaborative has been a partner in this collaboration for many years with Claudio Mir serving as the camp's Artistic Director. For students in the New Brunswick area this summer who are looking for full-time summer employment from the middle of July until the middle of August. Attached is the application and a flyer.
