Subject: Project Pillow for Harvey Survivors

From: Lisa Scott

Tragedy has beset our fellow citizens along the coastline of Texas due to Hurricane Harvey. As scenes of devastation are seen across various media platforms, we are calling on you to do your part in assisting those who have lost everything.

When you lay your head on your pillow at night, think of our fellow brothers and sisters who are unable to do the same. **Please support “Project Pillow” for Harvey Survivors by donating a new pillow and let the hurricane victims rest easier.**

Pillow will be collected from September 8 through September 22. Pillows should be new, in the original packaging or sealed in a plastic bag. They can be dropped off at the following locations throughout Rutgers-New Brunswick and Piscataway.

Drop Off Locations:

· **Livingston Campus**

- Livingston Student Center||
- Livingston Recreation Center

· **Busch Campus**

- o Office of the Registrar
- o Busch Student Center
