INSTRUCTIONS TO STUDENT:

1. Must be a Psychology major*
2. Select a faculty supervisor who is a member of the Faculty of Arts and Sciences (FAS).
3. Consult with the faculty member to fill out both sides of this form.
4. Obtain the faculty member’s signature.
5. Sign the form yourself.
6. Submit the form to the Vice Chair for Undergraduate Studies for approval and signature: Tillett Hall - Room 101
7. You must register for this course in Webreg or at the Registrar with your Special Permission number.

Advanced Research in Psychology requires 15 pages or more of writing, including at least one sustained piece of analytical or interpretive prose and may fulfill the 400-level requirement for the psychology major.

---

01:830:495  (Use this number for all registration unless already registered for 830:495 this semester. This course number may appear on transcript multiple times. **This form must be submitted each semester that you apply for a Research in Psychology project.**)

**01:830:496  (Use this number only when simultaneously registered for 830:495 with a different faculty supervisor.)**

---

**Number of credits currently registering for (variable 3 to 6 credits).**

(Applicants should consult with their prospective faculty research sponsor the number of hours they are expected to commit towards their research project. As a guide, the following link contains university regulations concerning expected hours per undergraduate research credit: [http://policies.rutgers.edu/view-policies/academic-%E2%80%93-section-10#2](http://policies.rutgers.edu/view-policies/academic-%E2%80%93-section-10#2))

However, prior to registering, students should establish with their professor the expected responsibilities, goals and schedules of work).
