

Research in Psychology-391/392¹

Project Proposal

INSTRUCTIONS TO STUDENT:

- ___ Select a faculty supervisor who is a member of the Faculty of Arts and Sciences (FAS).
- ___ Consult with the faculty member to fill out both sides of this form.
- ___ Obtain the faculty member's signature.
- ___ Sign the form yourself.
- ___ Submit the form to the Vice Chair for Undergraduate Studies for approval and signature:
Tillett Hall - Room 101
- ___ **You must register for this course by Webreg or at the Registrar, using your Special Permission number.**

This form must be submitted each semester that you apply for a Research in Psychology project. All registration should use 830:391 as the course number (course may appear multiple times on transcript) except in those unusual cases where a student may be registering for *two* different projects in the same term.

___ **01:830:391** (Use this number for *all* registration unless already registered for 830:391 *this* semester. This course number may appear on transcript multiple times.)

___ 01:830:392 (Use this number *only* when simultaneously registered for 830:391 with a different faculty supervisor.)

___ **Number of credits currently requesting (variable-cannot be more than six).**

(Applicants should consult with their prospective faculty research sponsor the number of hours they are expected to commit towards their research project. As a guide, the following link contains university regulations concerning expected hours per undergraduate research credit: <http://policies.rutgers.edu/PDF/Section10/10.2.4-current.pdf> .

However, prior to registering, students should establish with their professor the expected responsibilities, goals and schedules of work).
