

Disability Allies, Inc. (DA) is looking to hire an experienced Human Resources Recruiter who will be responsible for recruiting and screening candidates for both our Direct Support Professional (DSP) Program and our Community Inclusion Center Programs. Disability Allies, Inc. (DA) is a 501(c)(3) Non-Profit Organization based in East Brunswick, NJ, focused on creating a more inclusive community by connecting young adults with and without Special Needs. The successful candidate will be able to recruit and screen candidates, as well as review our current Recruiting Strategy and Processes, make suggestions, and potentially design a more efficient process to implement with relevant KPI's for measurement. You can find the full job description below at the following link.
