

Rutgers University Drug Aware (RUDA) event: a substance abuse/mental health career exploration event. There will be a group of experienced professionals to answer questions and share advice on getting a career within substance abuse counseling and mental health. This is a great event for those who would like to take that career path, or for those who are still unsure with that they would like to do in the future.

The event will be taking place Tuesday, April 23rd from 7-9pm in the College Ave Student Center (MPR).
