About the Program

The Mayor's Office Internship Program provides a unique opportunity to gain experience and develop the capacity to solve New York City's most pressing issues. The mission of the Mayor's Office Internship Program is to build a diverse pipeline of future public service leaders. This highly selective group of professionals collaborate with staff to better the Office of the Mayor and New York City.

Opportunities

Internships are available for High School, Undergraduate, Graduate, and Law students. All Office of the Mayor Internship Program positions are paid.

Selected Interns will have the opportunity to gain valuable experience working on Mayoral and NYC agencies initiatives, projects, tasks, processes and/or procedures. The internship will provide students with exposure to city government, workplace skills development and networking opportunities.

A limited number of positions are available for current high school and matriculated college and university students.

Visit the [Mayor's Office Internship Program](#) website for additional information.
